Subject Highway Safety Improvement Program (HSIP) Cycle 4  
Projects - Request for Programming

Greetings,

The note below from Randy Ronning provides an update to the Highway Safety Improvement Program (HSIP). The attached project listing includes projects for FYs 2011/12 - 2013/14. Please program projects from your region in your 2011 FTIP through the next FTIP amendment/administrative modification.

Use the fund type below when programming projects in your 2011 FTIP. Note that these projects can be programmed through a grouped project listing in the FTIP. See link below for the guidance.

Subject: Notify MPOs to Amend FTIPs for HSIP - Cycle 4 Projects

Abhijit,

Please notify all MPO Coordinators that the list of approved projects for the Highway Safety Improvement Program (HSIP) - Cycle 4 has been released.

The HSIP - Cycle 4 list (sorted by MPO) is attached. It can also be found and downloaded at [http://www.dot.ca.gov/hq/LocalPrograms/HSIP/FTIP\\_Info.html](http://www.dot.ca.gov/hq/LocalPrograms/HSIP/FTIP_Info.html)

These safety projects need to be amended into each MPOs FTIP as quickly as possible so that the agencies can begin working on them this summer.

Even though all of these projects are shown to be programmed in the 2012, 2013, and 2014 FFYs, we expect many agencies to use EPSP and deliver their projects in advance of the year it is programmed. For additional information on this process, see [http://www.dot.ca.gov/hq/LocalPrograms/HSIP/delivery\\_status.htm](http://www.dot.ca.gov/hq/LocalPrograms/HSIP/delivery_status.htm)

Note: The attached list is not a wholesale replacement of HSIP projects for the 2011 FTIP. MPOs should amend all of the projects contained in this list into their FTIP and retain all existing HSIP projects currently in their FTIP.

Thanks.
